

Home Tasks

1. Perform infix expression to prefix expression.

For example:

Infix Expression	Prefix Expression
$A + B * C + D$	$++ A * B C D$
$(A + B) * (C + D)$	$* + A B + C D$

2. Perform infix expression to postfix expression

For example:

Infix Expression	Postfix Expression
$A + B * C + D$	$A B C * + D +$
$(A + B) * (C + D)$	$A B + C D + *$
